

HAIR LOSS SOLUTIONS

PRODUCTS

FD: Finasteride & Dutasteride

FDM: Finasteride, Dutasteride & Minoxidil

FMPL: Finasteride, 5% Minoxidil & Latisse

M Formula: 5% Minoxidil & Tretinoin

INSTRUCTIONS FOR APPLICATION

Apply 1-2 times daily (morning and night)

- Make sure your scalp is dry (hair can be damp).
- Part your hair in the area of hair thinning/hair loss.
- Apply sparingly to thinning area and massage thoroughly into scalp. Use no more than one full dropper (1 mL) when treating the entire scalp.
- Wash hands with soap and water after application.
- Let product dry completely before using any hairstyling products.
- Repeat application at night prior to going to bed. Allow enough time for product to dry.

EXPECTATIONS

Please allow up to 6 months to determine effectiveness of product. Schedule a follow up appointment with your dermatologist at that time, so that he or she may re-evaluate and further manage your condition.
